

Leaf Pick-Up will begin on Monday, October 19th.

Brush Pick-Up will be moved to Wednesdays.

(Please do not mix brush in with the leaf piles. Please leave your leaf piles in your right of way, as close as possible to the road. This will maximize efficiency and reduce row damage. Please avoid putting leaves near or on the catch basins as this will clog them.) Pick-up will continue until the 1st sustained measurable snow fall.

Leaf and Brush Schedule:

Monday: South East Quadrant

Tuesday: North East Quadrant

Wednesday: Brush Pick up

Thursday: North West Quadrant

Friday: South West Quadrant
